

Women's Energy Network®
CONNECTED LOCALLY, NETWORKED GLOBALLY

GLOBAL IMPACT REPORT

What an incredible year 2025 was for Women's Energy Network (WEN)! Because of your support, WEN served more than 7,000 members through our mission of providing networking and educational opportunities that foster the career and leadership development of women working in energy. As our organization navigates an ever-evolving landscape, we remain focused on cultivating a thriving membership, strengthening our programming, and deepening the sense of community that makes WEN so impactful.
