

Women's Energy Network™

Empowering Women in Energy

THE MISSION OF THE WOMEN'S ENERGY NETWORK (WEN)

- To attract more women into energy through outreach programs;
- To retain and develop women in energy by fostering relationships;
- To develop leadership competencies and industry insights through strategic partnerships.

BENEFITS

WomensEnergyNetwork.org

WEN, which was founded in 1994, recently reached **over 4,000** Chapters span a variety of regions, including Appalachia, Greater Atlanta, Chicago, Houston, Greater Oklahoma, North Texas, South Texas, Southeast Louisiana, and Washington D.C. with Houston as the largest chapter at 2,200 members.

WEN members represent a broad range of disciplines and experience levels within energy focused companies ranging from management and law to technology and engineering.

WEN offers the opportunity to learn from some of the industry's most experienced leaders, and fosters leadership development through a network of energy contacts and programs.
